If you think you are beaten, you are,
If you think you dare not, you don't
If you'd like to win but you think you can't
It is almost certain you won't

If you think you'll lose, you've lost,
for out in the world we find
Success begins with a fellow's will-
It's all in the state of mind

It you think you are outchassed, you are-
You've got to think high to rise
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger are faster man;
But soon or late the man who wins
is the man who thinks he can.
