BASICS OF MS OFFICE AND PROGRAMMING LANGUAGE REPORT

Department of Physics organized a skill-based program for the first and second year students entitled "BASICS OF MS OFFICE AND PROGRAMMING LANGUAGE" from 06.12.2021 to 11.12.2021 all first and second year of 60 students participated at Computer Lab-1. As part of capacity building programme students learnt Microsoft office and C programming. For first three days students learnt Microsoft office package and have been trained practical session.

For the next three days C-Programming have been recalled and given training how to to do simulation. Resource person was **Ms. S. Deepalakshmi**, Assistant Professor, Department of Computer Science, Rajapalayam Rajus' College for this six days programme. The students got training and enthusiastically participated this programme.

LaTeX Training Program Report - (2021 - 2022)

Title of the Program: LaTeX Training

Duration of the Program: 25 hours

Date of Implementation: 15th December 2021

No. of Students: 19

No. of Trainers: 02

Name of the Trainers: Mr.R.Manimaran@Gopi, Miss.M.Malathi

Objective of the course: To expose the student in emerging technologies in the areas of Documentary Designing System. Participants will develop a basic understanding of how to make a documentary or how to work with the designing techniques. This course introduces fundamental concept of making documentary more suitable and attractive and at the greatest ease. It will emphasize the learners and researchers to create a professional quality, typeset publication for their postgraduate project reports, writing scientific and technical papers. The main objective of this course is to make aware the participants about LaTeX. By the end of the course, the participants will be confident enough to typeset their documents using LaTeX.

Outcome of the course: The Skill Development course is intended for post graduate students of M.Sc Mathematics students. The expected outcomes of the this course is to expose the participants to authoring requirements and tools, realize the advantages of LaTeX, to be able to prepare simple documents, papers, project reports and presentation in LaTeX
