MEMORANDUM OF UNDERSTANDING

MEMORANDUM OF UNDERSTANDING (MOU) made and executed on this date: 03.09.2019

INSTAGANA LIVE (IGL) Private Limited, Chennai has been training college and high school students in US, Dubai and India using hands-on projects. The training courses are designed with solving real-life problems and leveraging open source software and advanced technologies such as AI/ML, IoT, Cloud etc. The motivation for IGL Hands-On projects based training includes the following:

- To minimize the technology gap between curriculum and IT company needs
- To maximize the chances of employability for college students

While many traditional training institutions focus on one area such as a programming language, database, or a specific company's software such as Oracle, Cisco, etc., Since they are not addressing the need to train the students on multiple technologies, using open source software, solve real-life problems with specific projects, doing many short projects as opposed to few large projects.

M. P., IGL

Dr. Y. VENKATESH, Ph.D., D.Lit.
Principal,
RAJAPALAYAM RAJUS' COLLEGE,
RAJAPALAYAM - 626 117.

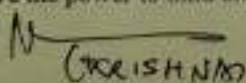

The IGL Hands-On focus on the above topics and offer a differentiated approach and experience the next generation IT engineers need to have. It's important to note that the IT companies look for students (graduating from colleges) who have done many projects in multiple latest technologies, solved real-life problems, knew how to apply technologies to different market segments, require minimal training, utilized software development process and trained on presentations and effective communication. The IGL Hands-On courses are designed from ground-up to train students in all of the above areas and hence improve the employability.

OBJECTIVES:

The objective of this partnership is to facilitate a project-based training program that helps students gain experience in latest technologies and improve employability. Here are some specific services we provide to Rajapalayam Rajus' College:

1. Orientation to students and teachers on technologies and projects
2. Work with students in identifying the technology areas and projects that suit their interest and career goals
3. Provide the cloud infrastructure, software and tools needed for projects
4. Provide the live training over online and/or in-person, if necessary
5. Hand-hold the students from start to finish of the project
6. Help students improve on their communication skills related to projects such as project report, project presentation, demo video and live presentation
7. Share with college staff and students a quarterly technology digest covering latest trends in the industry through Video Conferences/ ICT tools.
8. Optionally, facilitate interaction among other colleges participating in the IGL Hands-On program.
9. To provide Inter-Continental Knowledge Collaboration Program, allowing a batch of few Rajapalayam Rajus' College students to visit USA in this regard, vice versa USA students to visit Rajapalayam Rajus' College atleast once in a year.

The parties mutually agree to the detail terms and conditions that are identified upon by the institutions in this MOU. These terms include an industrial description of proposed activity, financial arrangement and person(s) responsible for the implementation. None of the Parties shall have the power to bind any other party without the other party's express content in writing.

M.P, IGL

GENERAL:

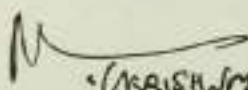

They agree to explore ways to share teaching, learning and training material, and other relevant literature, while respecting each other's intellectual property and other rights.

A steering committee with subsequently be formed to decide policy direction for working together. The steering committee shall meet either in-person or online at least once in weeks to review the progress in the terms contained.

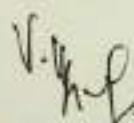

All the proposed activities will be governed by the regulations evolved by the steering committee approved by both the organization under the INSTAGANA LIVE PRIVATE LIMITED & RAJAPALAYAM RAJUS' COLLEGE. The terms and conditions of the mutual assistance shall be discussed and agreed upon in writing by both parties prior to the initiation of any particular program.

This agreement will be effective upon subscription to this MOU approval by both parties and remain in effect this year. It shall automatically be renewed. Either party may terminate the MOU by giving to the other party 90 days notice in writing.

Read, Understood and Consented.

RAJAPALAYAM RAJUS' COLLEGE - P.G. & RESEARCH DEPARTMENT OF HISTORY

The Department of History was initiated as one of the earliest Departments in the year 1973 with Pre-University Course (PUC) with History Major Prof R. Mariappan who was appointed on 26-06-1973. With the introduction of B.A. degree course in History in 1977 new appointments were made. Dr. G. Venkatesan (07-07-1977), Mr. V. Vijayaragavan (01-04-1979), Dr. P. Gomathinayagam (21-08-1978) and Dr. A. Subramanian (22-01-1980) have joined the department. From 1983, the department has started offering Post Graduate Degree Course in History. During this period, our department was one among the few colleges in the Madurai Kamaraj University region offering P.G. Course in History. When Dr. G. Venkatesan, Head of the Department got promoted as the Principal. Mr. R. Mariyappan became the Head of the Department and he continued in that capacity till his retirement from the service on 31-05-1990. He was succeeded by Dr. P. Gomathinayagam

D. Venkatesan

1

Rajus'

as Head of the Department on 02-06-1992. The year 1993 is the mile stone in the history of the Department of History because it was the year in which the department entered the phase of offering M.Phil. Dr. A. Subramanian took up the responsibility of Heading the department since 13-07-2002 retired from the service in November 2005.

Dr. V. Venkatraman was selected as the Principal of our college in June 2005 and became the Head of the Department and made our department as PG & Research Centre in History in the year 2006 and we produced 18 Ph.D Research Degrees so far. In October 2021, Dr. D. Venkateswaran, Associate Professor has been appointed as the Principal i/c of the college. Our department has bought out a research journal named *Quest Historica*. It has started its flying even well before the Department was recognized as a Research Centre in 2006. The Department has the credit of having successfully conducted X and XXVII Annual Session of South Indian History Congress in 1990 and 2007 respectively as well as XXI Annual Session of South Indian Numismatic Society in 2011. We also conducted three days national seminar on Subaltern Freedom Fighters of Madras Presidency in 2015 and 150th Anniversary of Gandhiji: Relevance of Gandhian Principles in Present Scenario in 2019 sponsored by ICHR respectively.

The curriculum makes it possible for students to have comprehensive as well as in-depth knowledge in history so as to enable them to clear competitive examinations like UGC SET/ NET and Civil Service Examinations and take up administrative, teaching and research careers with confidence in future. Ever since its inception, the department has strengthened its knowledge and research by networking with many agencies using mutual expertise and resources in various forms. It equips students for transferable skills that are to not only confine the study to the past but enables them to achieve skills that are invaluable in many jobs. The department aims for combined courses and add on courses so as to facilitate the student community to encourage them to stand independently.

PACHAIYAPPA'S COLLEGE – P.G.& RESEARCH DEPARTMENT OF HISTORY

The PG and Research Department of History was established with B.A. Honours in 1921, M.A. History Course in 1958, M.Phil, Degree Course in 1978, and Ph.D. programme in 1990, to provide research facilities for students. Teaching and research in the department are focused on the different aspects of Indian History (Ancient, Medieval and Modern), Historiography, Theory & Practice of Historical Writing, Tourism and Development History of Science and Technology, Archaeology and Epigraphy and Global History are foremost among the thrust areas study.
